

Dear Members,

Due to an unforeseen change in circumstances, outside the control of the organisers, a joint decision has been made by the Global Cities New Zealand board and the Marlborough District Council to push the Marlborough conference out to mid-March to enable all the members to attend.

Registration details and the draft programme will be released in the next few weeks.

We look forward to seeing attendees at the Marlborough Events Centre on March 14 and 15 2024 at the conference with exciting speakers and the theme of re-connecting with the world.

Warm regards,

Grant Smith

President
